

FROM THE DIRECTOR:

Keep working on all music. Begin memorizing Mass of the Children. We only have two more rehearsals until dress rehearsal. These rehearsals are crucial! Please be on time. Someone from the paper will also be taking pictures and we will be recording.

Share your Mobile's Singing Children Pictures Video & Pictures!

MSC has a new photo sharing website at www.mobilesingingchildren.shutterfly.com. On this site you can share pictures you have taken during MSC events. We are also hoping to create photobooks for MSC to show prospective new members what types of things that MSC does. You can also create your own photo books or order pictures from the site. We need more pictures added so please share your own pictures. We especially need some of the Dickens Christmas. If you have any questions please email our historian, Lara Nolan, at dnolan001@centurytel.net.

VIDEO's NEEDED!

Did you video any or all of our "Bach to the Future" presentation? We have a volunteer who will take multiple videos and compile them into one finished DVD, which we hope to have available at the spring concert. If you can submit files for this project, please save your video files to a DVD and bring them to rehearsal on April 19th!

Happy Birthday!
